### Expertise

Private Wealth , Corporate Services , Fund Services

Christina Hurlston is an associate director in our Cayman Islands Fiduciary team. She provides independent director services and specialises in the administration of structured finance deals, private wealth structures, and investment funds. With nearly 20 years of experience in the financial services industry, Christina brings a wealth of knowledge and a steady, client-focused approach to complex structures.

She is well-versed in structured finance transactions, including both registered and non-registered funds, private equity, asset financing, CDOs/CLOs, securitisations, repackagings, holding companies, and Islamic finance. Christina also has in-depth experience with unit trusts and private wealth trust structures.

Christina joined us in 2016 and has been an integral part of our Cayman Islands fiduciary practice ever since. Prior to joining, she held a number of senior roles in the financial services sector, developing a broad foundation in both operational and client-facing areas.

She holds a STEP Diploma in International Trust Management and is an ICSA-accredited director. Christina is also a member of the Cayman Islands Directors Association (CIDA) and a CIMA (Cayman Islands Monetary Authority) registered director.
