Expertise

Compliance Solutions, Registrar and transfer agent services, AEOI compliance services, Fund Services

Russell Drewe is a compliance solutions manager in our Cayman Islands office. He has extensive experience managing client and investor relationships across a broad spectrum of alternative investment vehicles, from multibillion-dollar private equity funds to bespoke niche investment vehicles.

Russell focuses primarily on all investor service and RTA functions but also has broad experience in KYC/AML processes and AEOI reporting requirements. He provides streamlined and efficient solutions in all aspects of his role, maintaining excellent investor relations whilst providing concise, prompt guidance to clients.

Russell joined Harneys in 2021. Prior to this, he worked as a vice president at Maples Group in the Fund Administration department maintaining a large portfolio of diverse clients. Before that, he worked at BNP Paribas, again in the Fund Administration team. He was also in charge of preparing the first FATCA filings for the Cayman office and in assisting to shape the CRS offering.
