## **Expertise**

Compliance Solutions

Marisol is an AML services manager working in the Compliance Solutions team in the Cayman Islands out of the London office.

She has over 20 years of corporate services experience including compliance, governance, law and financial services in multiple jurisdictions. She is an experienced corporate director with several appointments in her previous role where she also led a Global Entity Governance department.

Marisol is a qualified solicitor in England and Wales as well as the BVI where she practiced law for several years. She was also a compliance officer for a Corporate Services provider in the BVI.

Marisol is a member of the Law Society, and Professional Member of the International Compliance Association having obtained a Governance, Risk and Compliance Diploma. She brings a wealth of experience to a highly specialised compliance services team.
